### HOUSING ESTABLISHMENT FUNDS (HEF)

Support for disadvantaged young people, families and adults experiencing homelessness or housing difficulty.

Mallee Accommodation and Support Program Is funded to deliver a CONFIDENTIAL service to disadvantaged people who are homeless or at risk of homelessness.

## HEF OVERVIEW

The Housing Establishment Fund (HEF) is a Victorian Government initiative that aims to address and prevent homelessness by providing financial assistance to individuals and families who are homeless or in housing crisis.

Housing Establishment Fund (HEF) is administered by this agency.

Assistance is subject to eligibility criteria and an assessment, in which factors such as sustainability, client financial situation, resources, previous assistance and other issues that may be affecting the applicant's situation are examined.

## HEF Assistance can be used for:

- Emergency accommodation
- Rental arrears (private rental) to prevent eviction
- Rent in advance to secure a private rental tenancy
- Rent in advance to long-term community managed housing

Financial assistance may not always be the most appropriate form of assistance in dealing with a housing crisis. Workers will explore all possible avenues in attempting to help address the situation.

Successful outcomes may be achievable through referral to other forms of support, or by the provision of advocacy on behalf of a client.

It is expected that in most cases assistance is for a one-off purpose and that clients do not develop a dependence on regular or frequent assistance.

Due to funding guidelines, HEF cannot be used to pay rent in advance or rent arrears for an Office of Housing tenancy.
